

TWERTON AND WHITEWAY

Summer 2026

Community Network Newsletter

How is it mid-May already? So good to see all the green leaves out and some sunshine at last! It will soon be **Twerton Flower Show** (more info below), a celebration of all things bright and beautiful.

Thanks to the hundred odd people who voted on the name for the Network's new Community Benefit Society - it's **Twerton and Whiteway Together!** Now more than ever do people need to not be divided..

In other news, Claire Loder of **Blooming Whiteway** has been selected by the Climate and Nature Partnership programme to get training and bring home ideas for the Network on how we as a neighbourhood can look after each other and the natural world in the coming years. Watch this space, and congrats Claire!

Hearts Pharmacy are now fully open Mon-Fri 9am-6pm on both the High St and Mount Road and are keen to serve the community and win back trust after the closure of Boots then Jhoots.

For more news come along to the next Big Breakfast on 23 May at **Southdown Methodist Centre** 10-1 for a free brekky and great conversation! Then on to the plant sale/seed swap at **Bath City Farm**.

Twerton Flower Show

After last year's brilliant revival, it's on again this July 18th! There will be stalls, activities for all ages, music, food, bouncy castle, football, fun for everyone. If you want to enter a category, here's a taste:

- Vegetable/fruit art - make an animal or insect out of fruit and veg
- Mini garden - make a mini garden from anything inside a takeaway tray
- Fancy dress in the theme of "blossom"
- Waste not want not - a flower arrangement in a recycled container

A full list will be printed and distributed very soon, find one wherever you picked up this newsletter or on the website below.

Bath City FC relegated yet undefeated

After a pretty dismal season, The Romans of Twerton Park are to be relegated to the Southern League Premier South, and are calling out louder than ever for community support. With community benefit society the '**Bath City Supporters Society**' being the majority shareholder, the club is community owned, and anyone who joins the Supporters Society (£5 per year) can vote on big decisions such as who sits on the Club Board, the future of the stadium etc. You can join and find out how to get involved at www.bathcitysociety.org. Meanwhile Emma White and the brilliant staff are asking for ideas for events people would like to see happening at Twerton Park. So far people are suggesting things like bingo, a return of the weekly market, and band nights. Message Emma with suggestions on emma.white@bathcityfootballclub.co.uk.

Keeping in touch

The Twerton and Whiteway Community Network now has a **Whatsapp Community**, with sub groups that people can create/join to discuss different topics.

Please join- you can message **07398 589680** and we will send you a joining link. You can leave at any time if it gets too 'busy' for you! You can also keep in touch via our [mailing list](#) (join via our website or get in touch to be added), [website](#), [Facebook](#), [Instagram](#) & [LinkedIn](#).

Pride in Place board incoming...

Those who applied for the Neighbourhood Board (which decides how the £20 million Pride in Place funding will be spent) attended a gathering on Friday 8th at the football club, where it was announced that the board co-chairs will be Ruby Sant and Joy Luxford.

The Board hasn't been finalised yet, with so many amazing people applying, but we understand there will be opportunities for all those interested to be involved in some way. Keep your eyes peeled for more updates or contact the B&NES council officers Bath_Places@BATHNES.GOV.UK
